Dear Sergio ,

I am doing great. Now, I'll answer some questions of yours, and then we will know each other a little more.

I'm 12 years old, and I'm a student at Thomas B. Moffitt Elementary. Our school goes K to 6th grade. I was born in Fullerton and moved to Norwalk at the age of 4 or 5. I am the oldest of two kids; my sister is 9, and her name is Nadia.

I play a lot of sports here and there. I only play one board game and it is chess. I play [Minecraft](#); it is a sandbox game. You build anything; it has endless possibilities.

I hope we can be friends. It will be cool, 'cause it is a long distance friendship.

Sincerely yours,

Adam
