Dear Allen,

Hi! How are you? Sorry it took so long! A teacher left so some students had to switch classes and it was pretty crazy. Anyway, let me tell you about ME!

My name is Andrew Orduno (Bryan left to another school). I am 11 years old and I am a sixth grader at Moffitt Elementary school. I live in Norwalk, California which is about 20 minutes from Los Angeles and the beach. I have looked you up on the map and you were close to the beach. It looks like you were in the range of Hurricane Sandy. How did Sandy affect you?

I have a seven year old sister who is barrels of fun, but slightly annoying. For fun I like to read. I read books like Harry Potter, Percy Jackson, Fullmetal Alchemist, and the Hunger Games. What kind of books do you like to read? I also listen to music. I like the Beatles, U2, and other rock bands. What kind of music do you listen to? I like to watch hockey. My favorite teams are the Anaheim Ducks and the L.A. Kings and I have about 575 hockey cards. I like to watch movies like The Lord of the Rings, Hobbit, Jurassic Park, Dreamworks movies, Disney Pixar movies, etc.

My favorite foods are pizza, hamburgers(especially from Carls Jr. Or Hardee's), hot dogs spaghetti. Orange chicken and Bar-B-Q ribs.

That's just about all you need to know about me. I can't wait for your reply!

Your pen pal,

Andrew

P.S. Do you have an email address?

My hometown of Norwalk.
