Dear Dominic,

Hi! How are you? Sorry it took so long! A teacher went to another school so some kids had to switch classes and it was pretty crazy. Anyway, let me tell you about ME!

My name is Andrew Orduno. I am 11 years old and I am a sixth grader at Moffitt Elementary school. I live in Norwalk, California, which is about 20 minutes from Los Angeles and the beach. I did look you up on the map and I saw you were close to the coast. It looks like you were in the range of Hurricane Sandy. How were you affected by Sandy?

I have a seven year old sister named Emma, who is loads of fun but slightly annoying. For fun I like to read. I read books like Percy Jackson, Alex Rider, Fullmetal Alchemist, Harry Potter, and The Hunger Games. Do you like to read? I also like to listen to music. I like artists like The Beatles, U2, and other rock bands. What kind of music do you listen to? My favorite sport is hockey. I like the Anaheim Ducks and the L.A. Kings, and I have about 575 hockey cards. I also like movies like Lord of the Rings, Hobbit, Jurassic Park, Dreamworks movies, Disney Pixar movies etc.

I my favorite foods are pizza, hamburgers ( especially from Carls Jr. Or Hardee's), hot dogs, spaghetti, Orange Chicken, and Bar-B-Q ribs.

That's just about everything you need to know about me. I can't wait for your reply!

Your Pen Pal,

Andrew

P.S. Do you have an  
Email address?

My hometown of Norwalk.
