Dear DJ,

I'm fine. I'm Angie, I'm taking over Rayvan's letter, so is it OK if I take over? First, I'm going to answer your questions, then I'm writing about myself, OK? I have no brothers or sisters. I'm the only child. My favorite foods are pizza and cheeseburgers. I do not have a xBox; I wish I had.

I love to play basketball, football, and hockey. In basketball, I go for the Lakers. Football, I go for Raiders and Cowboys, and hockey, I go for the Anaheim Ducks. Do you like the Islanders? Do you like to play hockey just right there in the streets with your friends?

What's your favorite color? My favorite colors are Blue, Black, Green. I love to do math, that's my favorite subject. Do you have a favorite song? My favorite song is "I Knew You Were Trouble" by Taylor Swift

I go to Moffitt Elementary. I go to 6th grade. I'm 11 years old. How old are you? I live in Norwalk, California. I think it's 20 miles southeast of L..A.. Have you ever been on a sports team? I have, like, for three years of baseball. It was really fun; I like batting then catching. For summer vacation, I want to sign up for baseball this year. I play football with my friend Natalie in her apartment's parking lot . . .

Your pen pal,

Angie Solis
