I used the **Photo Booth** App

Dear Michael,

First of all, I'm extremely sorry about the delay. Also, I have to say that I am a different Brian. The other Bryan (The one you wrote to) has moved and couldn't get to your letter. So I guess you can say that I'm taking over in a way.

So, I'm great thanks for asking. Let me tell you a few things about myself. I'm 11 years old and will be turning 12 on August 31. I go to Moffitt Elementary School and live in a small city called Norwalk. Norwalk is about 20 miles southeast of Los Angeles, and we are also pretty close to the beach. I live with my mom and my dad. I also can't forget about my 3 older brothers. I have 2 dogs and a cat.

Now about hobbies. I love sports. I mainly like to play baseball or football but I can pretty much play anything. If i get bored and I can't play sports i might just draw a little. Some people say that I'm good at drawing but I don't believe them ;). Finally if I don't do any of those, I will play some video games. What do you do during your spare time?

So food, I love food. Honestly there are some great foods out there but my favorite would have to be Chicken Parmesan. Have you ever had it? It is the bomb! What is your favorite food?

Now the last book I read was **Catching Fire**. **Catching Fire** is a great book. It is part of the **Hunger Games Series**. Compared to the first book, though (**The Hunger Games**), **Catching Fire** is pretty bad. What was the last book you read?

So that is all but, I still got to ask you is one thing though. So about 2 months ago you guys got hit by Hurricane Sandy. I just want to know How did you deal with that? Did you evacuate? If you did where did you go?

So that is all I have to say. I can't wait to get your letter back but until next time.

Your Pen Pal,

Brian Salgado
