Dear Haseeb,

Hi, how are you? I'm doing great, too. Since I haven't met you either, I'm going to give you some clues about me, so it is kind of going to be like a mystery. I'm also 11 years old, but I'm going to be 12 on February 14, 2013

I go to Moffitt Elementary. I'm in sixth grade, too! I live in Norwalk, near LA. I have two sisters and one brother just like you! I'm the second oldest, I wished I was the oldest just like you. I also have an Xbox. I'm going to get the new Playstation and an iPhone 4 on my birthday. I have Midnight Club Los Angeles, UFC, FIFA and Call of Duty: Black Ops.

I like to eat tacos, burritos, enchiladas, hamburgers, chips, and pizza . I do like baseball, but I don't have a pet. I hope I get one soon, hopefully a dog. I really want a German Shepherd.

I also wanted to ask you some questions; don't worry, it won't be a lot. I wanted to know if you liked baseball, soccer or football. Also, if you liked junk food or what kind of music you like. I like pop and Spanish; I speak Spanish, too. Those are the only questions I wanted to ask you. I hope you liked it and I also want you to write back soon.

Your pen pal,

Cesar
