Dear Laetitia,

Hi. I'm great, Laetitia. A lot has happened here and there since you wrote your letter, but now I will answer your questions.

I am 11 years old. I am a sixth grader at Moffitt Elementary school. I live in Norwalk, California. I came to Norwalk from Long Beach about four years ago. I am from Long Beach. I miss living in Long Beach because I went to a private school and they are much more strict and when I was out there. I didn't slack as much as I do now. I need to get back to being an Honor Roll student.

For fun, I like to go to the park and play basketball or I would go over a friend's house. Besides reading, what else do you like to do for fun? The last book I read for fun was **THE LOSER LIST**.

Another thing I like to do for fun is play my XBOX 360 or psp. I want to know if you have any game systems that you like to play. Are there any games that caught your eye?

One more thing I wanted to know, is how you survived Hurricane Sandy. What did you do when it happened? Did any family members or friends get hurt? How did it affect you? What did you do to survive?

Sincerely your pen pal,

Elijah howard
