Dear Elizabeth,

I'm great! Now that I know a little about you, let me tell you a little about me!

I'm 11 years young, I'm in the 6th grade and I go to Moffitt Elementary in Norwalk. Moffitt is 20 minutes southeast of Los Angeles. You can look us up on the map.

For fun, I like to ride my beach skateboard. I also love to swim! I have an in-ground pool in my backyard at my mom's house. I would one day like to join swim classes one day, but for now it's at my house :p. I also like to do photography and edit pictures on my iPod.

My favorite food is hand-rolled sushi. That's my favorite food in the world! Do you like sushi? Because most people I know don't like sushi. I also like cheese pizza, but sushi is my very favorite.

I have a big family. My parents are separated, so I go with one parent for one week and another for another. At my mom's I just have one blood brother. At my dad's, I have one stepsister that's 13, an 11-year-old stepbrother (who's extremely annoying!!), and a 2-year-old half-sister.

The last book I read was Dork Diaries. What about you? School is okay. My favorite subject is reading and I dislike math. Do you have any electronics? I have an iPod, laptop, and cell phone!

What kind of music do you listen to? What nationality are you? Can't wait to get your next letter!

Your Pen Pal,

Genavie Salazar

PS. sorry for the delay! Also, about Hurricane Sandy, hope your are OK!
