Dear Tyler,

I am great! Now that I know a little about you, let me tell a little about me!

My name is Genavie. You were supposed to have Jorge but there was a mix-up. I'm 11 years young, in the 6th grade at Moffitt Elementary in Norwalk. Moffitt/Norwalk is 20 minutes southeast of Los Angeles. You can look us up on the map!

For fun, I like to ride my beach board and swim! Swimming is my favorite sport. I'm not in classes, but I have an in-ground pool at my house. My swimming classes are at my house, for now. Do you like Black Ops? I like to play Black Ops and other CODs on my older brother's PS3, and it's really fun! But, sometimes he's stingy and won't let me play.

The last book I read was Dork Diaries. I also love to watch movies! What's your favorite movie? Mine is The Amazing-Spiderman, but the newer one. My favorite food is hand-rolled sushi, but I also like cheese pizza.

You Pen Pal,

Genavie Salazar

PS. sorry for the delay. Also, about Hurricane Sandy. Hope you are OK!
