Dear Hector,

Hi! How are you? I am great. Since you don't know me much I am going to tell you a few things about myself.

I am 12 years old, and I was born in the year 2000. My birthday is May 12. I am left-handed. I lived in Washington state, in the city of Spokane, for 3 years with my dad and 3 of my brothers and 2 of my sisters. I have spent all of my other years out in California. I was born in Long Beach. I have been living in Norwalk for 2 or 3 years now, and I go to Thomas B. Moffitt elementary school.

The things I do for fun are play sports like football, basketball, and hockey. My favorite NFL team is the San Diego Chargers and my favorite NBA team is the LA Lakers. Football is also my favorite sport. I played tackle football for the Norwalk Saints; my position was WR and RB. My jersey number was 83.

I also love to play PS3 and draw. I also love pizza, but not as much as I love BBQ, and my favorite kind of float is a root beer float. I have a golden retriever puppy that I like to play with a lot. His name is B-dawg. I got him on my last birthday. My favorite school subject is math.

I have 6 brothers and 3 sisters. All 6 of my brothers are older than me, and all 3 of my sisters are younger than me, so that would make me the baby boy.

What is your favorite sport? What are your favorite sports teams? Have you ever played on a real sports team and for what sport? What is your favorite subject for school? And do you have any pets?

Sincerely

Jordin Barnett
