Dear Grace,

Hi, Thanks for asking, I am great!

Let me tell you a little about myself. I am eleven years old, I am in the sixth grade at Thomas B. Moffitt elementary school in Norwalk, California. I was born and raised in this area; I love it here! My nationality is Mexican-American!

For fun, I like to go shopping, studding clothes, making bracelets, hanging out with my friends, playing video games, (specifically Black Ops 1 and Black Ops 2), I also love playing on my iPod touch 4g, I love Instagram, and love making chibis!

I LOVE food! My favorite food is Pasta Alfredo! But I also like many other foods such as yogurt, meatloaf, steak, and I LOVE BACON!!!!

I, too, have siblings. I have two brothers. My oldest brother is 13 and is going to be 14 this year on September 10. And my youngest brother is 6 years old and is going to be 7 on February 28! My oldest brother always wanted to be in the military!

One of the last books I read is Coraline by Neil Gaiman. The Claymation movie is based on the book; they are both spectacular! I am literally obsessed with the movie! I am currently reading the Marvelous Land of Oz.

For a sport, I do Gymnastics. I love this sport; it is really energetic and fun! I can also do a Back Handspring! My favorite subject for school is Language Arts. I think am really good at it! My favorite singers are Justin Bieber, Elvis Presley, Nicki Minaj! My favorite Movie is Titanic!

I hope you can answer some of my questions, like what nationality are you? What is the last book you have read? What sports do you do? What is your favorite subject in school? What is your favorite singer? And what kind of movies do you like?

Sincerely,

Megan Mendoza:)
