Dear Jocelyn

I'm fine, how are you? I'm going to tell you few thing about me. I have one brother and one sister; their names are Sean and Joy. Sean is 15 years old and my sister Joy is 17 years old.

Paolo is my real name, but they call me Anthony. Your brother is like me because that is what I do when I'm done with my homework; I play video games. Do you like music? I like the song "One More Night" by Maroon 5, "Runaway Baby" by Bruno Mars, and "Tonight Tonight" by Hot Chelle Rae.

I'm 12 years old and I go to Moffitt Elementary school and I'm in sixth grade. I live in Norwalk, California which in about 20 minutes from Los Angeles and the beach. I have been going to this school since 2011.

My favorite food, like you, is pizza, but I also like ice cream and chocolate. What I like to do for fun is play with my friends, like playing basketball. The last book I read was Big Nate, how about you? I also like the books Diary of a Wimpy Kid.

Yes, I play sports like basketball, football, and hockey. How about you? Do you play any sports? What else do you like to do for fun? What books do you like? What is the last book you read?

I like about school is Math, and Science. What are your favorite subjects, and why? I can't wait for your next letter.

YOUR PEN PAL,

PAOLO
