## Stephanie

Dear Tia,

I'm fine, how are you? Just to let you know, I do have siblings. I have two brothers and one sister. One of my brothers is older than me. He's 13 years old. My other brother is 3 years old. My little sister is 8 years old.

My favorite foods are enchiladas and tacos. Those are Mexican foods. Also, I love listening to music. Today's music by the artists like Katy Perry, Kesha, Taylor Swift, Maroon 5, Kevin Rudolf. I also play the saxophone and I'm first chair. I like reading fiction, not nonfiction, such as Dork Diaries and comics.

I like any kind of ice cream, as long as it's chocolate, vanilla, or strawberry. Second, I don't like cats. Sorry. Though I do love dogs. They're so soft and playful. I like golden retrievers and chihuahuas. What kind of dog do you have? What's your dog's name? I don't have a dog since I live in an apartment. Also, our cranky manager doesn't allow pets in the apartment.

Next, I know how to sew. I've been knowing how to sew since I was five or six years old. Once I even made a beautiful dress for my Barbie doll when I was little. I almost sewed my finger by accident. I help my mom sew different types of clothes. Also, I helped my mom make a Snow White costume for my little sister on Halloween. Well, I guess this is about it. Also, I forgot to mention my favorite color is pink. If you have any questions, just ask on our next letter.

Your Pen Pal,

*Stephanie*
