Dear Brieana,

Hi! I am great as well! I know a little more about you now. Once I read your letter about you. You seem like a nice person to be with. I should tell you some things about me now.

I am also 11 years old. I was born on Sep. 14, 2001. I am in the 6th grade. I go to school at Moffitt Elementary school in Norwalk, CA.

What I like to do on my free time is ride my bike like you, play with my friends and my dog, Lilly which is a beagle. I also like to play piano. I like to read all sorts of stuff. Like, non-fiction, fiction, greek mythology, or animals. What do you like to read? I like to go to the movies, too with my friends and family.

I like spaghetti, too but I really love pizza. Who doesn't! Do you like pizza? I have 2 little brothers and no sisters. But I really wish I had one. I am the oldest of 3. One of my brother's name is Richard-Myles, and he is in the third grade. The other one, his name is River-Benedict, and he is in preschool. I play with my brothers sometimes, but most of the time I am busy with school, homework, or at my piano class. I'd fool with my brothers, but I would get in trouble, since my brothers are annoying spoiled brats that like to blame their mess on me. Do your siblings mess with you?

Your Pen Pal,

Trinity Castro
