Valerie D.C

Dear Andrea,

Hello Andrea! My name is Valerie D.C. I just wanted to let you know that Ivana moved away a few months ago, so I will be your writing partner now. I'm 12 years old. I'm in the 6th grade at Moffitt Elementary, in a small city called Norwalk, which is located near Los Angeles.

For fun, I like to dance ballet and hip hop, be on my iPod touch, go shopping, listen to music, and make clothes. My favorite food is a pizza pretzel. The last book I read was SMILE. I like to do art in school. If I had extra money, I would buy clothes.

Yes, I do have brothers and sisters. My older brother Bryan is 17. Then there is me and my little sister, Jazzlynn. She is 7 years old. The smallest is my little brother, Jier, but we call him JJ for short.

I don't play sports unless they're sports we do in school, like football, baseball, and basketball. How is it to live in New York? What do you want to be when you're older?

Your writing partner,

Valerie,
