Valerie D.C

Dear Elizabeth,

Hello Elizabeth! My name is Valerie D.C. I'm 12 years old. I'm in the 6th grade at Moffitt Elementary, in a small city called Norwalk, which is located near Los Angeles.

For fun, I like to dance ballet and hip hop, and be on my iPod Touch, go shopping, listen to music, and make clothes. My favorite food is a pizza pretzel. The last book I read was SMILE. I like to do art in school.

Yes, I do have brothers and sisters. My older brother Bryan is 17. Then there is me and my little sister, Jazzlynn. She is 7 years old. The smallest is my little brother Jier, but we call him JJ for short.

I don't play sports unless they're sports in school like football, baseball, and basketball. How is it to live in New York? What do you want to be when you're older?

Your writing partner,

Valerie,
