Dear Viviana,

Hey! I'm so sorry for not writing back for so long. A lot has happened here. My old teacher, which was your teacher's friend, Ms. Galaske, had to move to a different school. So now I'm in Mr. Fraser's class. Anyway, if you have questions to ask, feel free.

I'm 11 years old and I go to school at Moffitt Elementary, in Norwalk, CA. My birthday is on March 26, 2001. I live with my aunt, sister, and my cousin. My sister is in 3rd grade and she is 8 years old. Her birthday is on January 26th. My cousin is in 4th grade; she is 9 years old. Her birthday is on June 23. I also have a brother. He doesn't live with me. He is 21 years old.

For fun I like to swim, bake, cook, shop at the mall, and play sports. I also like to go to school to hang out with friends. I'm crazy fun. Oh, by the way, do you have an email? If you do, can you give it to me. We could probably "facetime" each other.

My favorite things to eat are pizza, chicken Alfredo, pancakes, and ice cream. I also love all kinds of sweets. I'm not really a big fan of sushi. I love candy apples. Mhmmm....yummy

Yeah, I'd really like to be your friend. You really sound like fun. My friends are named Angela and Genavie. They're really good friends. They're really funny, and they're also very nice. By the way, I like many sports. My favorite is soccer.

Until next time,

Veronica M. <3

P.S. The middle pic is of me and on the right is Angela and on the left is Genavie :D

P.P.S. Sorry for Hurricane Sandy; hope you are ok:)!
